

**JOIN A PERICO STUDY CLUB** and experience the best in small group collaborative learning and interdisciplinary treatment planning. This year we have aligned with industry leaders to bring you a special offer, combining technology and continuing education through the Straumann Group and the International Team for Implantology (ITI).

**As a Perico Study Club Member you'll receive:**

- In person small group learning 6 times per year: review case studies relevant to what you are seeing in practice every day, literature review and treatment planning discussions
- Access to our 6-part virtual webinar series featuring some of the biggest names and experts in implant and restorative dentistry
- A full year ITI membership and access to all of the benefits the ITI has to offer
- Access to a customized ITI classroom with relevant study club related content
- Alignment with the leader in implant dentistry—Straumann Group
